High Alcohol Beer legislation

There has been some confusion regarding the new high alcoholic content beer law. To clarify, class "E" liquor licensees and beer wholesalers are both allowed to sell high alcoholic content beer [5% ABW (6.25% ABV) to 12% ABW (15% ABV)] to on-premises liquor licensees. However, high alcohol beer continues to be classified as intoxicating liquor.

Gifts

Just a reminder that Division staff members are State of Iowa employees and cannot accept gifts of any kind.
